Dear \_\_\_\_\_,

(Print Teacher's Name Here)

I, \_\_\_\_\_, am applying for a Wonder Trek to Peru

(Print Your Name Here)

and need recommendations to accompany my application. A teacher's recommendation will speak to my abilities to succeed on a trip of this nature. Working well with others, handling challenges with a positive attitude, and demonstrating leadership skills are examples of personal attributes used in the selection process. For more information on Wonder Treks, please visit their website [www.WonderTreks.com](http://www.WonderTreks.com).

Would you be willing to complete a teacher recommendation form for me to submit with my application?

To complete an online Teacher Recommendation Form please visit

[www.WonderTreks.com/recommendation](http://www.WonderTreks.com/recommendation). My application is due by November 11. If you are able to complete this recommendation for me within this timeframe, I would greatly appreciate it.

Thank you,
